The Ashland Board of Commissioners met in Regular Session in the Commission Chambers, City Building, Ashland, Kentucky, on Thursday, January 3, 2002, at the hour of 7:00 PM. Those present were Commissioners: Larry Brown, Kevin Gunderson, W. Russell Powell, Polly Rideout and Mayor Paul Reeves, who presided. Also present were: William H. Fisher, Jr., City Manager; Richard W. Martin, Corporation Counsel; Deborah Musser, City Clerk; Mark Osborne, Fire Chief; Tom Kelley, Chief of Police; Steve Corbitt, Director of Public Services; Jim Shaw, Director of Planning and Community Development; Greg Rice, Safety/Risk/Insurance Manager; Gail Melvin, Economic Development Director; Marion Russell, Assistant Director of Public Services; Michelle Veach, Assistant Finance Director, and Reporters.

The invocation was given by Commissioner Brown.

The Pledge of Allegiance was conducted.

AGENDA

City Manager Fisher presented the agenda of January 3, 2002. Motion was made by Gunderson, seconded by Brown, to receive and file the agenda. Upon roll call, voting aye were Commissioners Brown, Gunderson, Powell, Rideout and Mayor Reeves. Nay - none. Motion passed.

HEARINGS AND REPORTS

City Manager's Report – City Manager Fisher reported he, Police Chief Kelley and Director of Public Services Corbitt attended the pre-construction meeting this morning in Flemingsburg on the 13th Street project. The project is scheduled to begin in April with completion by October.

Director of Public Services Corbitt updated the Commission on animal control activities and projects from the joint meeting with Catlettsburg and Boyd and Greenup County officials. Mr. Corbitt reported completion of the following: Lawhorn water main extension; paving of 55th Street and Roberts Drive; bus shelters at the Courthouse and senior housing complex in Catlettsburg; and fire hydrant painting for Catlettsburg. In addition, 2 APD cruisers no longer in use were leased to Boyd County Police; an extra light bar was supplied to Greenup County coroner and a traffic study requested for 55th Street.

Animal control had 63 calls during December and picked up 51 animals. No animals were refused at the animal shelter. Mr. Corbitt explained he had accompanied officers on calls and discussed policies with them. The officers leave the area when confronted by aggressive citizens. The officers are not to be rude to citizens but sometimes must be blunt when citizens attempt to interfere with performance of duties. Animals are released to owners when they can be identified along with issuance of violations.

Mayor & City Commissioners' Comments – Commissioner Powell asked about documentation by animal control and suggested that since none is done presently, maybe some type of written documentation be initiated.

Mr. Powell asked about white lines being painted on the end of the roadways and Commissioner Brown added he had placed a complaint about Skyline Drive. Director of Public Services Corbitt will prepare a list of appropriate streets and the painting cost. A request will also be added to the website seeking public input.

Commissioner Rideout asked about sidewalk installation on Forest Avenue. Property owners were being surveyed but the City Commission had issued a directive and unless overwhelming complaints were received and presented to the Commission, the sidewalk would be installed from 29th Street to Ashland Avenue.

REGULAR MEETING JANUARY 3, 2002
HEARINGS AND REPORTS CONTINUED

Fire Chief Osborne reported on the fires at two buildings, one on Greenup Avenue and the other in the 3200 block of Bath Avenue. Both appeared to have been started by vagrants in the buildings. No injuries occurred during the incidents.

Mayor Reeves thanked Public Services for getting the projects agreed to at the joint meeting completed. He stated the City would consider such meetings with Huntington, West Virginia and Ironton, Ohio if the Board was so inclined.

Commissioner Brown updated the Commission on the City Manager evaluation process. Input has been submitted by each – Mayor and Commissioners – and will be tabulated. A meeting will then be scheduled to review the results with the City Manager. Commissioner Brown will get everything together and report to the Commission by the next meeting if possible.

Commissioner Powell reported on the citizen survey and seeks additional input from the Board and staff members. He stated Dr. Charles Rhoades will receive the Leadership Tri-State Community Service Award next Thursday, January 10, 2002 at Noon at the Plaza Hotel. Mr. Powell commended Economic Development Director Melvin and City Manager Fisher for scheduling public meetings for each month on various subjects.

Commissioner Gunderson asked about the time and temperature sign for South Ashland. City Manager Fisher and Director of Public Services Corbitt are working with the sign manufacturer since the first design was unacceptable.
